

CHAD OWEN and his wife Leilani are proud parents of four children. As the host of the Safe Money Radio show and a nationwide presenter of safe money concepts, Chad has enjoyed helping people all across the nation protect their retirement money. "Over the years I have helped people protect millions of dollars in retirement assets and not one of those people have ever lost a penny from market downturns. There is something truly wonderful about being able to help people have peace about their financial future." Chad is able to sleep at night with the comfort of knowing his client's retirement funds are protected. It is his desire to give you that same peace of mind.
